

Corporate Bylaws Review

Business-based approach to effective bylaws.

- Compared to industry best practices
- Reviewed for the specific needs of your organization
- Governance expertise and objectivity
- Inclusive approach to allow each director to become (re)connected with governance standards

Bylaws play an important role in establishing governing principles – but only if they're up to date.

Why Boardspan:

- Highlights where board practices and existing bylaws are misaligned
- Showcases industry best-practice as well as evolving needs of the organization
- Driven by business needs which can be complemented by legal requirements
- Delivers objective recommendations with limited bias

Your Custom Report:

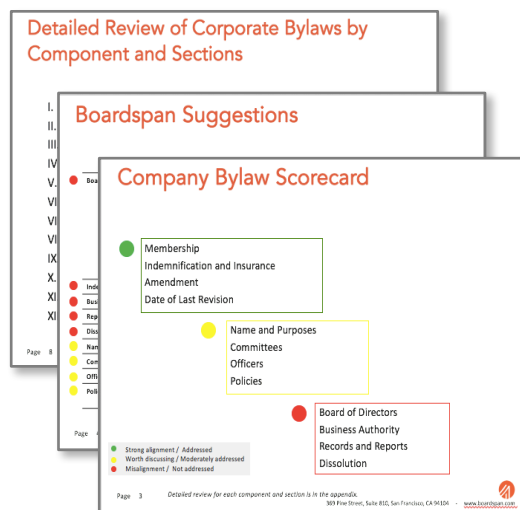

- Actionable scorecard evaluating current bylaws using best practice analysis and board feedback
- Targeted suggestions identifying areas to edit, discuss as a board and/or seek legal counsel*
